Key Features

As you type words into the search box a list of suggested search terms will drop down. You can select or type your own words and then click *search*.

You will see a list of resources with a short description.

- Hold your mouse over the icon to the left of the title to display the format of the resource.
- Click on the title to view the resource.
- Click *full details* for more information about the resource.

 **[The Protection of Children Act 1999 :A Practical Guide to the Act for all Organisations Working with Children](#)**
This Practical Guidance provides a breakdown of the statutory requirements, rights and duties of child care organisations set out by the Protection of Children Act 1999. This Act is the first step towards the establishment of a framework of a coherent cross-sector scheme for identifying those people considered to be unsuitable to work with children ...
