Learning Review -
Practitioner Event

OFFICIAL

Introductions & purpose of today

- ▶ Bringing together practitioners in a facilitated event to provide an opportunity to **reflect** on practice & also to ensure that their voice directly contributes to the review.
 - Revisit your involvement
 - Think about assessments & decisions made, actions taken & interaction with other professionals
- ▶ To **learn** from what has happened in order to improve systems & practice in the future and thus better protect children and young people.
 - What did we do then?

What is a Learning Review?

- ▶ A means of bringing relevant agencies together through a structured process to review what has taken place to
 - ▶ Reflect
 - ▶ Increase understanding
 - ▶ Identify effective practice
 - ▶ Identify key learning
- ▶ A collective endeavour to learn from what has taken place in order to improve systems and practice in future and better protect those most vulnerable who we support.
- ▶ This is not a Significant Case Review!

Why a review?

- ▶ The APC has decided to conduct a multi-agency review following (*insert details of the reason for referral for review*)

Review Terms of Reference

- ▶ *(insert the ToR as agreed by the sub-committee)*
